1.1.5. Resources required

The resource needs to establish the employers' organisation as a 1 stop shop are not huge, but cannot be underestimated neither if some excellency is strived at.

It will engage:

- Staff resources. Their role is to explore, regular follow up all official websites of instances dealing with COVID-19, to prepare small summaries of measures and other contents measures (see 1.1.2)
- Determine and upload information tool(s) like web page and social media for alerts
